Creating the future in Safety

ABOUT DIMENSIONAL AWARENESS CONSULTANTS:

Established in 2015, Dimensional Awareness Consultants is a BBEEE Level 1 Company that specializes Safety Training in the Health and Safety Construction and mining training industry.

We also specialize in 360 Virtual Reality Advert and Simulation Building.

Our business philosophy is being prepared for challenges improves safety and productivity. At Dimensional Awareness Consultants, we train people to be prepared so that they can handle real life situations. We strive to provide a better learning experience through Virtual reality and augmented reality safety training and inductions.

The goal is to achieve the highest learning level from a training session, use what you learn, and you will improve your performance and safety behavior. The focus will be on training of employees using the most common theoretical approach but also with a virtual reality simulation or augmented reality.

We also offer OHS Consultancy that SMME's require: Building of Safety Files, Audits etc. We employ SACPCMP Registered Safety Officers, Managers and Agents.
